

Support Your Community . . . and Leave a Legacy for the Future!

The Kiwanis Club of St. Charles is offering supporters of the community's River Corridor Project an opportunity to become a lasting part of the River North Gateway Park. Engraved 8" x 8" brick pavers will be laid within the park paths. Stair plaques featuring individual, family or company names will be displayed on the upper patio.

Remember Special Events

Commemorative bricks and plaques are a perfect way for you to remember births, weddings and anniversaries or to honor the memory of a loved one. Your company will find this a perfect way to celebrate civic pride and show commitment to the project.

Team Effort Drives Redevelopment

The St. Charles River Corridor Project is a cooperative effort of the City of St. Charles, the Downtown St. Charles Partnership and the St. Charles Park District. Initiated in 2002, the plan is the result of extensive public discussion and input from residents, civic groups, business leaders and a variety of government participants.

River Corridor Enhances Livability

The project will provide improved access to and between attractions such as the river, regional trails, retail stores, adjacent neighborhoods, public buildings and parks. It also addresses the economic, entertainment and environmental opportunities of the city by creating destinations such as waterfront plazas, bridges and overlooks; shoreline stabilization and landscape enhancements; new and improved retail, residential and recreational opportunities; and improved habitat for amphibians, fish and fowl.

Establish Your Legacy

The St. Charles Kiwanis Club's enthusiastic undertaking of the River North Gateway Project is the first visible step in the ongoing, multi-faceted River Corridor Project. Additional phases will be sponsored by other civic-minded community organizations in the coming years. Please consider a donation or contributing your time and talents to this effort. Your participation today will ensure benefits for you, your family and the community for years to come.
